1. Introduction and Overview

The Service Delivery and budget Implementation Plan is a mechanism that ensures proper alignment between the municipalities Integrated Development Plan and the Budget. It is central to the monitoring and evaluation of the performance of the municipality in implementing its Integrated Development Plan and Budget.

The Integrated Development Plan is the municipality's five-year principle strategic planning document. Importantly, it ensures close co-ordination and integration between programmes and activities, both internally and externally, with other spheres of government. The Integrated Development Plan therefore ultimately enhances integrated service delivery and development. The Integrated Development Plan priorities inform all planning and budgeting processes.

The Service Delivery and Budget Implementation Plan consist of one-year detailed performance plan, a three year capital works plan, as well as financial projections of income and expenditure. It outlines the Key Performance Indicators and Targets linked to the Key Performance Areas derived from the Integrated Development Plan. Quarterly targets are identified in the Service Delivery and Budget Implementation Plan, and these are monitored and reported upon accordingly.

The Service Delivery and Budget Implementation Plan comprises of two layers. The top layer is the one that must be presented by the Mayor for approval to Council. The lower layer applies to departments and forms the basis of their performance plans and agreements. This layers consists of additional indicators that support the indicators in the top layer. The lower layer is the responsibility of Directors and the Managers, who develop it in conjunction with their staff. The top layer template and quarterly targets are reflected in the Tokologo Local Municipality Scorecard.

2. Legislative Framework

The Local Government: Municipal Finance Management Act, 56 of 2003, require municipalities to develop Service Delivery and Budget Implementation Plans annually. In terms of section 53(1)(c(ii), the Service Delivery and Budget Implementation Plan is defined as a detailed plan approved by the Mayor of a municipality for **implementing that municipality's delivery of municipal services and its annual budget.** It must indicate the following:

- (a) Projections for each month of:
 - (i) Revenue to be collected by source; and
 - (ii) Operational and capital expenditure by vote
- (b) Service delivery targets and performance indicators for each quarter, and
- (c) Other matters as prescribed

The Mayor of the Tokologo Local Municipality is required to approve the Service Delivery and Budget Implementation Plan within 28 days after the approval of the Integrated Development Plan and the Budget and must be publicised within 14 days after such approval by the Mayor.

3. Service Delivery Cycle

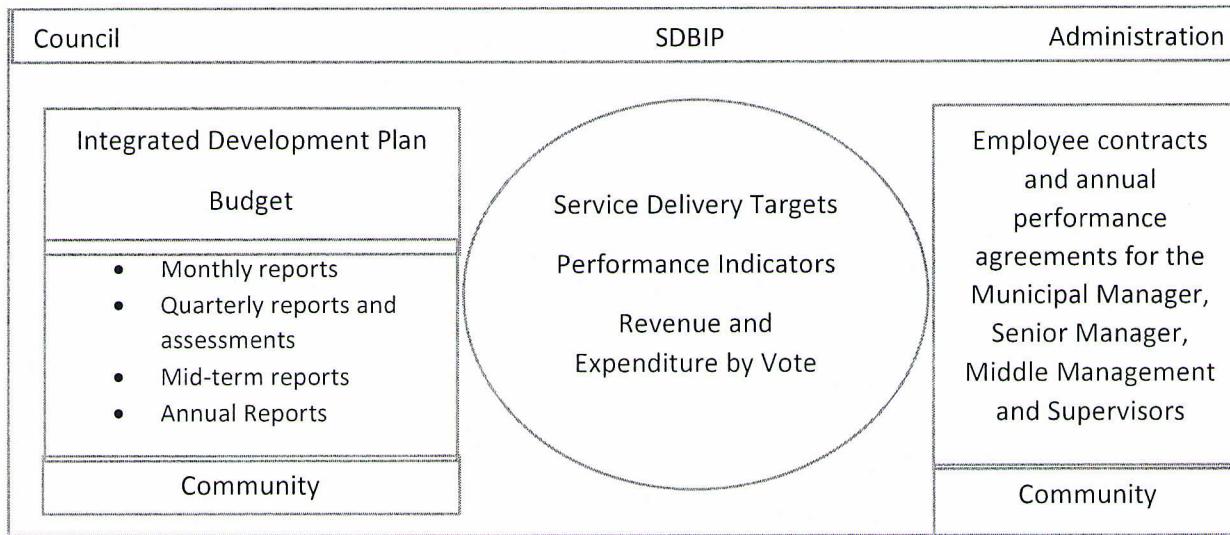

Figure 1

The Service Delivery and Budget Implementation Plan constitutes a contract between the administration, Council and the community. It ensures that everyone is moving in the same direction, as mapped in the Integrated Development Plan. It provides a focus on outcomes, outputs and inputs. It enables senior managers to monitor the performance of their subordinates; the Municipal manager to monitor the performance of the senior managers; the Mayor to monitor the performance of the Municipal Manager; the Council to monitor the performance of the administration; and the community to monitor the performance of the Council. Therefore, it is a management and implementation plan, not a policy proposal.

4. Performance Reporting

To enhance performance assessment, accountability, monitoring and evaluation, reporting requirements are outlined below:

Frequency and nature of report	Mandate	Recipients
Monthly reporting on actual revenue targets and spending against budget no later than 10 working days after the end of each month	Section 71 of the Municipal Finance Management Act, 56 of 2003	Mayor and Provincial Treasury
Quarterly progress report	Section 41(1)(e) of the Municipal Systems Act, 32 of 2000; Section 166(2)(a) of the Municipal Finance Management act, 56 of 2003; and Regulation 7 of Municipal Planning and Performance Management Regulations of 2001	Municipal Manager Mayor Audit and Performance Audit Committee Provincial Treasury National Treasury

Frequency and nature of report	Mandate	Recipients
Mid-year Budget and Performance Assessment Report due by 25 January each year	Section 72 of the Municipal Finance Management act, 56 of 2003; and Section 13(2) of Municipal Planning and Performance Regulation of 2001	Municipal Manager Mayor Council Audit and Performance Audit Committee Provincial Treasury National treasury Provincial Government
Annual Report to be tabled before Council by 31 January as a draft and approved and published by 31 March	Sections 121 and 127 of the Municipal Finance Management Act, 56 of 2003; and Section 6 of the Municipal Systems Act, 32 of 2000	Municipal Manager Council Audit and Performance Audit Committee Auditor-General of South Africa Provincial Treasury National Treasury Provincial Government Local Community

Tokologo Local Municipality Scorecard

The Tokologo Local Municipality Scorecard reflects the institutions performance targets and indicators in line with the following Key Performance Areas.

- KPA 1 : Basic Services and Infrastructure
- KPA 2 : Good Governance and Public Participation
- KPA 3 : Financial Viability and Management
- KPA 4 :Organisational Development and Transformation
- KPA 5 : Local Economic Development

These has been captured in the tables below:-

MUNICIPAL MANAGER' S QUALITY CERTIFICATE

I, Mpho Aaron Sehloho, in my capacity as the Municipal Manager of the Tokologo Local Municipality submit the Final Service Delivery and Budget Implementation Plan (SDBIP) for the 2025/26 financial year for approval by the Mayor. This document has been prepared in terms of the stipulated requirement as documented in the Local Government: Municipal Finance Management 56 Act of 2003.

Submitted by

M.A. SEHLOHO
MUNICIPAL MANAGER
TOKOLOGO LOCAL MUNICIPALITY

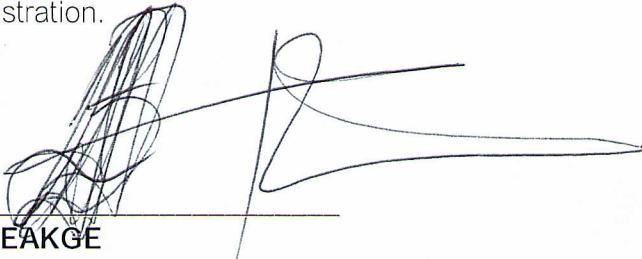

MAYOR'S APPROVAL

As the Mayor of Mohokare Local Municipality, I hereby approve this document as the Final Service Delivery and Budget Implementation Plan (SDBIP) of the Municipality for the financial year 2025/2026 in accordance with S54 (1) (c) of Local Government: Municipal Finance Management Act, No. 56 of 2003 (MFMA).

I am pleased to present the SDBIP of Tokologo LM as detailing one year plan of the institution that gives effect to the Communities of MLM the actual implementation of the Integrated Development Plan (IDP). It is an expression of the objectives of TLM in quantifiable outcomes that will be implemented, it includes service delivery targets for each quarter and facilitates oversight over financial and non-financial performance of the municipality.

In the main, the SDBIP is used to monitor and manage the implementation of the IDP. It is important for management to give enough attention to the financial and predetermined objectives of the 2025/26 IDP. Our staff is expected to implement the SDBIP diligently. I am confident that the SDBIP is credible in that it complies with the minimum requirements as stipulated in the MFMA Circular 32 of 2005. This is the core of the annual performance contract between officials and Council and facilitates the process for holding management accountable for its performance in a financial year.

I am certain that this final SDBIP provides a vital link between the Mayor, Council and the administration.

B.E. SEAKGE
EXECUTIVE MAYOR
TOKOLOGO LOCAL MUNICIPALITY

27 June 2025
